RISCATYPE

EVERYTHING FOR THE PRINTER

The world famous *Riscatype* is manufactured in our modern type foundry at Risca, and full comprehensive stocks are again kept in our depots at London and Leeds, ensuring an excellent Service to the printer equal to that of the pre-war years. We have, also, one of the largest and most up to date Trade Typesetting plants in England at our London branch specialising in all kinds of tabular work and foreign languages and which is ready at all times to assist the printer to meet urgent typesetting demands. Printing equipment of all kinds can also be supplied as shewn in this booklet. Should you require any equipment not listed inside, please enquire or write to us at Risca, London or Leeds.
