Palace Script

Dear Sir.

We have pleasure in introducing a new Riscatype Script closely resembling the finest Copperplate, which will also be displayed on our Stand No. G.4 at the 1953 British Industries Fair at Olympia.

Cast to our very high standard of accuracy from specially prepared hard metal, on angled, interlocking bodies, breakages are reduced to a minimum. Owing to new methods of production, we are able immediately to offer Riscatype Palace Script in the 14, 18, 24, 30 & 36 point sizes at the remarkably low price of 11/- per lb. which is less than half that usually charged.

On the reverse of this sheet are full details of this fine Script, the appearance of which we sincerely hope will meet with your approval. We trust we shall be favoured with your esteemed orders, which will receive our most careful and prompt attention.

Yours faithfully
